

HOUSE BILL 2264

By Hawk

AN ACT to amend Tennessee Code Annotated, Title 49,  
relative to the evaluations of teachers and  
principals.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 49-1-302(d)(2), is amended by  
adding the following language as a new subdivision (D):

In recognition that TVAAS results are statistical estimates based on standardized test scores that do not measure all that is valued in education and that the standard error included in reports of TVAAS estimates is an acknowledgment that the estimates are not mathematically precise, no rules, policies, or guidelines shall be established in which the person or persons responsible for conducting the evaluation are required, expected, encouraged, or otherwise induced to take action to ensure that observation results under subdivision (d)(2)(C) are aligned with or bear any particular relation to or correlation with TVAAS statistical estimates.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring  
it.
